TECHZNAP HANDBOOK 2026

- Last Updated: 31/12/2025 -

➢ WELCOME

We are excited to welcome you to TechZnap Innovative Solutions. As a valued part of our team, we hope you will share in our goals for success. TechZnap is committed to providing the highest quality of service in all aspects of our business, and we are thrilled to have you with us. We look forward to a long and successful career together.

➢ MISSION

At TechZnap Innovative Solutions, we aim to empower businesses through cutting-edge digital technologies, providing innovative solutions that drive sustainable growth and enhance customer experiences.

➢ VISION

Our vision is to be a global leader in digital innovation, transforming industries and enriching lives through technology-driven solutions that shape the future.

➢ OVERVIEW

The TechZnap Innovative Solutions Employee Culture Handbook has been created to provide general guidelines about TechZnap's policies, benefits, and expectations. It is designed to help you become familiar with WHO we are and WHAT we do, as well as to share the culture, privileges, and obligations of your employment with TechZnap.

➢ CORE VALUES

TechZnap and its employees are guided by the following core values:

- **Commitment to Integrity:** We uphold honesty and transparency in all our actions.
- **Commitment to Quality:** We strive to deliver the highest standard of work in everything we do.
- **Commitment to Innovation and Excellence:** We continuously seek new ideas and improvements, pushing the boundaries of what's possible.
- **Commitment to Building Strong Communities:** We believe in giving back and contributing positively to the communities we serve.

➢ COMPANY CULTURE

- **CONTRIBUTE:** At TechZnap, every employee is equally important. We encourage you to participate, give your opinion, and make suggestions. Don’t wait for someone to ask; jump in and contribute!

- **W.I.T. (Whatever It Takes):** Great results come from teams where members are motivated and willing to do whatever it takes to succeed. A willing attitude makes teamwork happen.

- **LOOK FOR SOLUTIONS, NOT PROBLEMS:** Problems will arise. Don’t focus on blame—work together to find a solution.

- **BE EARLY AND BE READY:** We believe in advanced preparation so others don’t wait on us. When you’re early, you’re on time; when you’re on time, you’re late.

- **BE NICE, BE RESPECTFUL:** Treat others with respect, even when you disagree. We keep all communication respectful and professional.

- **EMBRACE UNIQUENESS AND DIVERSITY:** We are a diverse and inclusive company. We encourage everyone to contribute in their unique

way and to listen without judgment.

- **LEAVE YOUR BAGGAGE AT THE DOOR**: Bring the best of yourself to work by leaving personal issues outside the workplace. However, if there's anything we can do as management to assist you with any challenges, we are here to help and support you. Your well-being is important to us, and we are committed to ensuring a positive work environment for everyone.

- **PRACTICE LEADERSHIP:** We are servant leaders who lead by example, support our team, and do the right thing, even when no one is looking.

- **TAKE PROBLEMS TO THEIR SOURCE:** Address issues directly with those involved. It’s unacceptable to gossip or talk behind someone’s back. Always go to the source of the problem, have a conversation, and find a solution.

➢ WORKPLACE ETIQUETTE AND BEHAVIOR

1. Professional Appearance

- **Dress Code:** At TechZnap, we value a comfortable and casual work environment where employees can be themselves. While we encourage you to dress in a way that makes you feel comfortable and confident, it's important to maintain a neat and professional appearance suitable for a company setting.

- **Personal Grooming:** Ensure good hygiene and grooming. Arrive well-groomed with personal hygiene up to professional standards.

2. Professional Conduct

- **Communication:** Use polite, respectful, and professional language in all interactions.
- **Punctuality:** Be on time for work and meetings to respect others' time. Inform HR if you anticipate being late.
- **Workspace Maintenance:** Keep your workspace and common areas clean and organized.

3. Physical Conduct

- **Personal Space:** Respect others' personal space and maintain appropriate physical boundaries.
- **Health and Safety:** Follow all health and safety guidelines, reporting unsafe conditions to management.

4. Personal Belongings and Office Equipment

- **Office Equipment:** Use company equipment responsibly and for work-related tasks only.

---

5. Breaks and Facilities

- **Eating Areas:** Consume food in designated areas, not at your workspace. Clean up after yourself to maintain a hygienic environment.

- **Water:** Drinking water is available throughout the office. Please use the water coolers or designated water dispensers to stay hydrated.

- **Beverages:** Use the designated tea preparation area for making beverages. Clean up after use and ensure the area remains tidy for everyone.

- **Washroom Etiquette:** Keep washrooms clean and be considerate of others by limiting your time in shared facilities. Report any maintenance issues to HR or upper management.

---

6. Behavior and Attitude

- **Positive Attitude:** Approach work with positivity and a willingness to collaborate.

- **Conflict Resolution:** Address conflicts privately and professionally, involving management if needed. https://docs.google.com/forms/d/e/1FAIpQLSfFv9ipuJTpsWID3-yRa4sePzWCB47GYZCPrWpWNSVRyYxVCw/viewform

---

7. Digital Etiquette

- **Email and Messaging:** Use polite language in all communications and avoid personal use during work hours. Contact the relevant person as needed; their details will be included later in this handbook.

- **Social Media Conduct:** Represent the company appropriately online. Avoid posting content that could harm the company's reputation.

WORK HOURS AND ATTENDANCE

➢ WORK HOURS AND ATTENDANCE

GENERAL WORKING HOURS

- **Standard Working Time:** 8:30 AM – 5:30 PM
- Clocking in between **7:30 AM and 9:00 AM** is acceptable
- Clocking out between **4:30 PM** and **6:00 PM** is acceptable.

Any time entries **outside these limits** (before 7:30 AM or after 6:00 PM) must have prior approval. Time recorded beyond these hours **without approval** may be considered an **offence (misconduct)**, subject to the **CEO's** or **General Manager's decision**.

RECORDING WORK TIME

All employees are required to accurately mark their work time daily using the TechZnap Time Tracking System. This ensures that your work hours are recorded for payroll and project management purposes. Please ensure that you:

- Clock in at the start of your workday.
- Clock out at the end of your workday.
- Record any breaks taken during the day.

https://docs.google.com/spreadsheets/d/19gyUp2lkG4LRCnYwLdI2S99Sl0kTiJB8zIxneubH5bw/edit?pli=1&gid=0#gid=0

It's important to maintain accuracy and honesty in your time tracking. Any discrepancies should be reported to your supervisor immediately.

➢ LEAVE MANAGEMENT SYSTEM

At TechZnap, we strive to maintain a transparent and efficient leave management process. Here's how leave requests and approvals are handled:

Leave Request Process:

- All leave requests must be submitted through the designated Google Form for proper tracking and approval. https://docs.google.com/forms/d/e/1FAIpQLSeVhn2U3-oMfP9clVqCan1MDBkRALyO_mb7hpc9kbc6g79VkQ/viewform

- After submission, the leave requests will be reviewed by the General Manager.

- Once approved, the leave will be marked on the Time Shifts Sheet under the "Team Leaves" sub-sheet, visible to all team members. This ensures everyone in the team is informed of each other's availability. https://docs.google.com/spreadsheets/d/19gyUp2lkG4LRCnYwLdI2S99SI0kTiJB8zIxneubH5bw/edit?pli=1&gid=922668532#gid=922668532

Working Hours and Leave:

- If an employee works less than 5 hours in a day, it will be considered a leave and must also be submitted via the Google Form.

Lateness Reporting:

- In case of lateness, employees should notify HR or General Manager if HR isn't reachable, through the proper channels. Repeated lateness may be considered during performance evaluations.

Accountability:

- Failure to report leave or adhere to this process may result in disciplinary action.

By using this system, we ensure that all leave requests are properly documented and visible to the team, fostering accountability and smooth workflow management.

PERFORMANCE & REWARDS POLICY

PERFORMANCE & REWARDS POLICY

1. Objectives & Philosophy

At TechZnap, we are shifting from an "Employee" mindset to a "Partner" mindset. This bonus system is not designed to pressure or punish; it is created to:

- **Say "Thank You":** Reward exceptional effort and tangible results.
- **Ensure Fairness:** Keep bonuses clear, consistent, and transparent.
- **Foster Growth:** Help employees and the company grow together as a team.
- **Drive Accountability:** Establish clear objectives, improve collaboration, and build a constructive feedback culture.

---

2. What is a performance bonus?

A performance bonus is a variable financial reward paid on top of your fixed hourly wage. It is awarded for meeting targets, contributing to projects, and demonstrating a positive attitude.

- *Note: A bonus is not part of your guaranteed salary and is not guaranteed every month.*

---

3. The Monthly Bonus: How it Works

We utilize a **Two-Factor System** to calculate your share. Your bonus is not a flat rate; it depends on the strategic value of your role and the quality of your performance.

A. The "Accelerator" (Team Goals)

We work as a team. The size of the total Bonus Pool depends on how close the company gets to its project targets:

- **Partial Achievement (~85%):** 50% of the Pool is unlocked.
- **Full Achievement (100%):** 100% of the Pool is unlocked.
- **Above-Target (120%+): 150% of the Pool is unlocked (Maximum Cap).**

B. The Scorecard (Your Individual Slice)

While the Team unlocks the pool, your individual share is determined by a **Performance Score** tracked by Management. We use a **90-degree evaluation** method based on both quantitative results and qualitative behavior.

What is measured?

1. **Execution Quality (30%):** Project success, Speed, accuracy, and meeting deadlines.
2. **Operational Discipline (40%):** Punctuality, strictly following company procedures and processes, and avoiding misconducts.
3. **Behavioral Contribution (30%):** Attitude, teamwork, honesty, and willingness to support the General Manager.

How it is tracked: Managers continuously note **Critical Incidents**—specific events, results, and significant behaviors (good or bad) that occur throughout the month.

- *Positive actions (e.g., covering for a teammate, "Zero-Revision" work) increase your score.*
- *Negative actions (e.g., lateness, missed deadlines, negligence) decrease your score.*

---

4. The Year-End Profit Pledge

To reward long-term loyalty, TechZnap pledges a minimum of **10% of Annual Net Profit** back to the team.

- **Usage**: First used for team perks (food, trips, parties).
- **Distribution**: Any remaining balance is paid as a cash bonus at year-end based on your cumulative performance score throughout the year.
- *(Note: The remaining 90% is allocated to the Office Growth Fund and Strategic Reserves).*

---

5. Eligibility Rules

Participation is reserved for confirmed team members to ensure fairness and consistency.

A. Monthly Bonus Eligibility

- **Service Requirement:** You must complete **6 months of continuous service** to be eligible.
- **Effective Date:** Eligibility begins automatically in the first month *following* your 6-month work anniversary.
- *Employees with less than 6 months of service are not eligible for the monthly pool.*

B. Year-End Profit Share Eligibility

- **Full-Year Activity:** You must work actively from January 1st to December 31st of the calendar year.
- **Tenure:** You must have joined the company at least 6 months prior to the start of that year (e.g., joined before July 1, 2025, for the 2026 bonus).
- **Active Employment:** Resignation or termination before Dec 31st results in forfeiture of the year-end distribution.

---

6. Corporate Standards & Fairness

The TechZnap bonus system follows corporate-level standards to ensure personal bias and favoritism are not allowed.

- **Internal Calculation:** To keep the system consistent and confusion-free, the specific internal calculation method is handled by Management and is not open for debate.

- **Transparency:** You will always be informed of your Targets, Achievement Level, and Final Bonus Amount.
- **Fairness Commitment:** Project targets are shared before the month starts and will not change arbitrarily.

---

7. Forfeiture (When you may not receive a bonus)

You may be disqualified from the bonus pool for specific months if:

- Assigned project work is incomplete or rejected.
- Deadlines are repeatedly missed without valid reason.
- There are serious client complaints.
- Company rules are broken (refer to Misconduct policies).

"If you support your projects, contribute honestly, and work as a team, your effort will be recognized and rewarded." 💙

CODE OF CONDUCT & DISCIPLINARY POLICY

➢ CODE OF CONDUCT & DISCIPLINARY POLICY

At TechZnap Innovative Solutions, all team members are expected to behave responsibly, honestly, and professionally. **Misconduct** is defined as any action or behavior that goes against company rules, policies, or values.

The following actions are considered misconduct. This list covers the core standards expected of every team member.

1. Attendance & Time-Related Misconduct

- Not clocking in or clocking out correctly.
- Recording false or incorrect work hours.
- Coming late without informing management.
- Leaving work early without prior approval.
- Working outside approved working hours without permission.
- Not recording breaks properly.

2. Leave-Related Misconduct

- Taking leave without submitting the required leave form.
- Failing to inform the General Manager about absence or lateness in advance..
- Taking leave but recording it as working time.

- Taking repeated short leaves without a valid reason.

3. Workplace Behavior Misconduct

- Using rude, disrespectful, or offensive language.
- Harassment, bullying, or discrimination of any kind towards colleagues or clients.
- Spreading rumors, gossiping, or talking negatively about others behind their back.
- Creating conflicts or disturbing team harmony.
- Ignoring direct instructions from supervisors or management.

4. Professional Responsibility Misconduct

- Not completing assigned work responsibly or meeting deadlines.
- Repeated poor performance due to negligence or carelessness.
- Dishonesty or misleading management regarding work status.
- engaging in a Conflict of Interest (e.g., working for a client directly) without management's permission.

5. Company Property & Resource Misconduct

- Misusing, neglecting, or intentionally damaging company equipment or tools.
- Using company systems, accounts, internet, or resources for personal purposes.
- Sharing company passwords, login credentials, or access details with anyone.

6. Digital & Communication Misconduct

- Inappropriate use of email, messaging platforms, or company Telegram groups.
- Posting company-related content on personal social media without permission.
- Sharing internal company information or client details publicly.
- Any online behavior that harms the company's reputation or brand image.

7. Confidentiality Misconduct

- Sharing confidential company data, financial figures, or client information.
- Discussing internal management matters with outsiders.
- Using company data for personal gain or external purposes.

8. Health, Safety & Facility Misconduct

- Not keeping shared areas clean, tidy, and respectful for others.

9. Bonus & Benefit Misuse

- Manipulating performance data or records to falsely gain bonuses.
- Providing false information related to KPIs, targets, or completed tasks.

10. Disciplinary Action

Violation of these rules will lead to disciplinary action. The severity of the punishment depends on the gravity of the offense and the employee's past record. Actions may include:

1. **Verbal Warning:** A formal conversation recorded in the employee's file.
2. **Written Warning:** A formal letter regarding the misconduct.
3. **Final Warning:** The last notice before dismissal.
4. **Suspension or Termination:** Removal from the company.
    - *Note: Serious misconduct (such as theft, fraud, or harassment) may result in **Immediate Termination** without prior warning.*

---

11. Management Authority

The CEO or General Manager has the full authority to:

- Investigate any suspected misconduct.
- Decide the appropriate level of disciplinary action.
- Take immediate action when required to protect the company and its team.

---

12. Employee Responsibility

All employees are responsible for:

- Reading and understanding this handbook.
- Following company rules, values, and safety guidelines.
- Acting honestly and professionally at all times.

Failure to comply with this policy may result in disciplinary action up to and including termination.

GRIEVANCE HANDLING POLICY

➢ Grievance Handling Policy

TechZnap Innovative Solutions is committed to maintaining a fair, respectful, and supportive work environment. Employees are encouraged to raise any concerns or grievances openly and responsibly, without fear of discrimination, retaliation, or unfair treatment.

A grievance is any concern, complaint, or dissatisfaction related to the workplace that affects an employee's work, performance, or well-being. This includes, but is not limited to, workplace conflicts or misunderstandings, unfair treatment or perceived bias, harassment, bullying, or inappropriate behavior, concerns related to workload, attendance, leave, or disciplinary actions, and any other matter that negatively impacts the employee's work environment.

Grievance Reporting Procedure

Employees are encouraged, where appropriate, to first attempt to resolve concerns informally by discussing the matter directly with the involved party in a respectful and professional manner.

If the issue cannot be resolved informally, or if the matter is sensitive in nature, the employee must submit a formal grievance through the Request & Issue Reporting Portal Click Here under the relevant category.

All submitted grievances will be reviewed by the CEO. The CEO may request additional information and conduct discussions with relevant individuals as part of the review process. Based on the findings, the CEO or General Manager will communicate the outcome or resolution to the employee within a reasonable timeframe.

Confidentiality and Non-Retaliation

All grievances will be handled confidentially to the extent reasonably possible. Any form of retaliation against an employee who raises a grievance in good faith is strictly prohibited and will be treated as misconduct.

False or Malicious Complaints

Submitting grievances that are intentionally false, misleading, or malicious may result in disciplinary action in accordance with company policies.

Employee Responsibilities

Employees are expected to raise grievances promptly and honestly, cooperate fully during any investigation, and maintain professionalism and respect throughout the grievance process.

Management Authority

The CEO or General Manager reserves the right to make final decisions regarding grievance handling and resolution, in line with company policies, procedures, and organizational values.
